

Our Late Phase Studies & Real World Evidence Expertise

Late phase clinical trials and real world evidence (RWE) studies bring challenges with recruitment, data quality and bias; apply Excelya's experience with **200+ phase IV trials** to reach your goals.

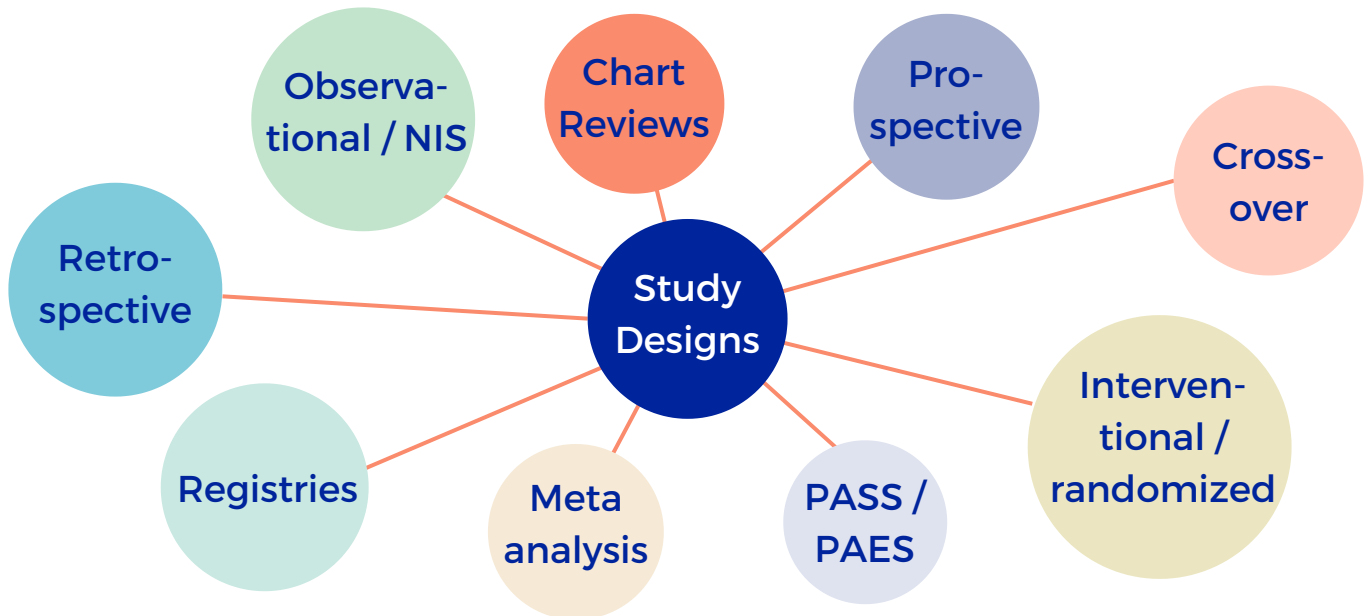

A flexible approach: our medical affairs and medical writing support is available at three levels: Resourcing, FSP, and Full Service.

Late Phase Projects by Therapeutic Area

For further information, please contact our sales team: contact@excelya.com

Gain access to Excelya's **talent pool of 900+ experts**, including **subject matter experts** for outcome research study designs, as well as **expertise across different study designs**:
